

Tasting Notes:

Eagle Eye MUSCAT CANELLI 2007 is one of those wines that benefited from the long hang time the 2007 vintage provided. The nose is aromas of peaches, apricots and orange blossoms. One sip will fill your mouth with opulent tropical fruits including lychee, tangerine and notes of ripe cantaloupe. The finish is long and balanced. This Muscat Canelli is a "tropical fruit basket" in a glass. Serve this wine as an aperitif, with cheeses or spicy foods, fresh fruit, desserts

Eagle Eye MUSCAT CANELLI is a wonderfully refreshing wine. The Muscat Canelli wines are a forgotten classic that wine aficionados have enjoyed, but have not embraced in recent years. After tasting this wine we hope you will agree that its time has come. The grapes were harvested at night and in the cool early morning hours to maintain the delicate fruit flavors. All three county "terroirs" were a key to bringing out the unique aromas and taste.
